

Vengurla,
Maharashtra
Konkan
dreamscape

“Vengurla is a port town on the Konkan coast, with virgin beaches, serene backwaters and colourful fishing villages. And no tourists. It was almost sunrise, and the boats framed against the coconut trees in the background made a fascinating frame. I took over a hundred photographs as the sun rose, but this one is my favourite.”

✎ Kolkata-based brand consultant **Amitabh Gupta** left a full-time job to devote more time to travel photography. He explored the Konkan coast in December 2009.
